The special work of THE F. W. The favor of correspondence is requested whenever a periodical set or a part of a set is desired.

THE F. W. FAXON COMPANY also publishes books of reference, bibliographies, and reading lists, — "The Useful Reference Series," "Bulletin of Bibliography Pamphlets," etc. Lists of these may be had on application.

"FAXON SERVICE" in magazine subscriptions for libraries is now available, giving not only reduced prices, but insuring title-pages and indexes, and an expert handling of library lists. Estimates furnished.
